An argument with New Order

Dream Attack
I should look into the sun.
I won't steal its energy.
I'll channel it into manifestation.

THE BEAST IS OUR FRIEND

MARY MARY QUITE CONTRARY
MEN FIND HONEST WOMEN SCARY
EXPRESSING FEELINGS IS FAR FROM A SIN
MY KNOWLEDGE COMES FROM DEEP WITHIN.

VERBAL OFFENSIVE IS JUST MY DEFENSIVE
YOU REACT IN FEAR WHEN YOU SHOULD BE PENSIVE
WHAT YOU TERM BEAST IS PURELY PASSION
SIMPLY AFTER ANOTHER FASHION.

YOU FILL ME WITH YOUR PARANOIA
DARK DESTROYER
PARANOIA IS MISINTERPRETATION OF A THREAT
DISS THE BEAST
AND THAT'S ALL THE LOVE YOUR GONNA GET.

THE WILD ANIMAL INSIDE
SHOULDN'T HAVE TO HIDE
OR BE DENIED
WE SHOULD AIM TO ATTAIN
RECONNECTION WITH
-KILL THE DRAGON-
FALSE MYTH.

WITH THE BEAT OF THEIR WINGS
DRAGONS CREATE THE EARTH'S ENERGY LINES
SINCE THE MOST ANCIENT OF TIMES
WE INTUITIVELY UNDERSTAND
WHEN THEY LAND
WE ARE HOME.

I am a metaphor for the earth.

LAILY WORM

COME HERE AND BE NICE
YOU'LL SEE
IF I'M A CAT
FEED MICE TO ME.
WHEN I'M A PANTHER
FEED ME WITH HARES,
I LOOK KINDLY ON ONE WHO DARES
TO JUMP INTO MY FIRE.
QUIT HOUNDING.
CIRCLE NEEDS ROUNDING
-LIVE WIRE-
NEEDS GROUNDING.
LOOK BACK NOW
TURN TO SALT
BARREN LIFE,
NOT MY FAULT.
SNAKE CHARMER
AVOIDANCE IS WRONG,
LAY DOWN YOUR ARMOUR
TO HEAR THE HISSSSSS
OF MY SONG.

HOBSON

I WONT BE HARE TO YOUR SNARE
I WONT BE FOX TO YOUR HOUND
I KNOW WHAT'S OCCURRING
YOU'RE TRANSFERRING
NEED TO FELL MY ENERGY TREE TO LIGHT YOUR FIRE
VAMPIRE
MISPLACED GUILTY EMOTIONS
FUEL YOUR DEVOTIONS
REFLECT THAT GLARE IN YOUR OWN DIRECTION,
IS THAT YOUR TRUE, DESIRED PROJECTION?

IRRIGATE

ARROGANCE: "TO CLAIM TO ONE'S OWN"
YOU CAN'T OWN A CAT
WOMEN DON'T GIVE SEX.

CATS COME TO YOU.
:"TO CLAIM PROUDLY OR UNDULY"
YOU DARE TO DISRESPECT ME!
:"UNDUE ASSUMPTION OF IMPOTRANCE"
:"OVERBEARING".

MAN CANNOT DOMINATE NATURE
MAN IS PART OF NATURE
MAN IS NOT GOD

YOU'RE THE BEST
THANK YOU MASTER, WHERE'S MY LEAD?
YOUR WORDS I WILL ALWAYS HEED.

PERVERTING THE COURSE OF JUSTICE

IRRESISTABLE DISTRACTION
FALSE VICTIMISATION
DISPLACES DIRECT ACTION.

THE MASTER THEY ADORE

CHUCK HER IN THE DITCH. LITTLE WITCH.

COCKY LITTLE COW - WON'T GIVE IN

SHE'S JUST WIRED TO THE MOON
WHAT A RELIEF
WE'LL GET HER SOON.

DARE DEVILS

JACK IN THE GREEN

The Barrier.

There was no such thing as need

Until the Spirit trap.

Druids banished to torture dungeons

Waiting for a new road on the map.

Sworn Affidavit

At creative best
Pure and fully initiated
Then grabbed by an institution
Shut my mind down.
Made me homeless
Made me sick
Made me suicidal
Raped me.

I have to compromise or leave the country
Larry said -"They've got me by the short and curlies".

Dog, man and Nature I love
Can't leave
Stuck with the jags
The stress, tension and sedation.
But a whole whole home
Coping.
Invoking Deities
Macha mostly
My heavenly host
Dominance over patriarchal disease.
She succeeds in keeping me strong I still create
Animate
Express.
I'm a hundredth of what I should be
It's not fair I'm misrepresented
Stereotyped
Disrespected.
But with respect among friends
Who understand
My story.

The dark of the moon.

Winter solstice,
Earth spirits imposing,
Next full moon the most enchanting.
On the beaches,
Up the Law,
North Berwick witches gather for ritual.
Working for Ceridwen, Macha, The Green man,
Trying to make a positive impact.
Reconnect the Earth plane
With the divine plan.
Sacrifice.
Purgatory.
They oppose the forces of the Devil,
Who spreads stench associated with honourable intent
Oppression rules
Fortress Europe
Inside these walls,
they parapsychologically block.
Robbed of reality
Direct opposition of spirit
The brightest stars -
The dullest, mindless slabs of meat.
Waiting, waiting
Waiting to be set free.

Where is the 3rd party?
Who is the 3rd party?
Why still so much suffering?
Whence comes their power?
Masonic handshakes?
Blackmail?

"Maintain the status quo
Keep childmolesters free.
Reduce, reduce, reduce Nature.
"unshackle us" from our ancestors.
Give us crime, torture, murder,
Pick on those who threaten the order".

Those who know the fear of being –
Grabbed and destroyed by an institution,
Dragged from environment,
Stereotyped, written off, uncompensated.
Still tortured.
Why is this still happening?
When will it end?

The Thorn

The Queen has ordered my murder in the media
MI5 respect her, her private army
An angel hunt, me the angel
More attempted murders experienced than anyone else in the world
The world rape record
She wants me denied my psychic mind.
Held captive
Controlled
Degraded
Killed
She is turning Sekhmet into Hathor
Yet not allowed the privileges of Hathor.

She wants me to want sex
A non-sexual never will
She plays nymphomaniac, pedophilic rape subliminally on telly
Childlike porn fantasy with an intelligent face.
She had sex with her male model Joe.
Trying to drive me mad, she drives Britain mad
She sees Britain as an astral realm.

She's trying to rape me with her new toy boy
Pop stars and special agents
Her using my unconscious body for sex
She used me for sexual abuse for over a decade
And now she wants me dead.

Clinical

Cervical smear
Legitimised rape.
Mastectomy
Unnecessary mutilation.
Chaemo
Slow and painful murder.
MRSA
Jagged into you.
Autism given to the newborn of Witches
Satanic indescribable torture.

No need for caesarian,
We have the technology
To survive anything but a car crash
Unscarred and un mutilated.

The NHS practices Satanism,
Disrespecting the sacred human body
Not an object
To be cut open.
Not to be seen or touched by strangers
Woman on woman is wrong
Clinical is worse,
More perverse.

We are Nature,
Nature is gentle
Nature is sensitive,
The NHS is brutal
Nurses and doctors are brutes,
Trained to mutilate, damage and kill.
Their philosophy is wrong,
Based on Nazism.

Disrespect spreads disrespect,
Society trained wrong by their perspective
They must be stopped,
And connected with Nature
To see the wrong in what they have done.
The body is sacred
And carries the spirit
The upright human body is a miracle
And not to be mutilated and disrespected.

MI5 Blood.

MI5 are Satanists
Says higher guidance
Channeling Devil energy into me
Exhaust me
Bleed me
Sexually abuse
Torture
Rape me
Deform my very skeleton
Have me obscenely violated
Set me up
Degrade me
Incarcerate
Incapacitate
Blackmail my spirit guide
Intercept my mail
Send me their satanic thievings
Class me as a threat to national security
So it's not illegal to kill me.

They have beliefs in raping, torturing and killing me
For the good of Satanists.

Psychotronic sexual abuse

Rape her bowel
She has to live in the shit
She's a filthy aids ridden whore
Torture her familiar
Do to him what you plan to do to her
Degrade him humiliate him, incapacitate him
Have him spied on and filled with daemons
Disable him
Perv about with him
Rape him and damage him.

The enchantress got it wrong Every rapist in the district and beyond.
They only love her when she's theirs at night
And their happy girlfriend.

Dr Mason.

You have a fantasy in my boyfriend
Changing psychiatrist would be a Godsend
Personally involved.
Satanically abused as punishment for my rejection of them.
Psychotronic sexual abuse designed to torture.
"If you're not raped- you're not allowed to sleep."
Embarrassed of being a rapist
So abuse to a state of muteness.
Cover the conspiracy
Of the rape Satanism cult.
"Porn is coma"
We'll kill you when it's over.
We'll only set you free
As wife, bimbo and for night time coma.

Cold comfort for the heart.

Complete blank
The same as after rape.
Digital radio at least,
I know from the intensity of the set up
Believe the synthetic telepathy operators
It's them that rape my bowel
Make me lose use of my arms
Deform my elbows.
My body survived rape and indecent assault
Until recent y
No longer is it my body
But I'm stuck in it.

Alpha Romeo

Better replenish her brain
Fix her broken neck
Put that muscle back on her leg
Stop disintegrating her arms.

Protection they don't believe in
Psychotronic and psychic
Non-invasive and effective
Not magickal at all.

House bound

Held under house arrest psychotronically
Command given with synthetic telepathy
Satanically abused under coma
Victim of black Egyptian ritual
The Satanists have declared war against the celtic and now native deities
Blackmailing and torturing truly sensitive good spirits
Everything sacred they try to break kill and pollute
The intensity of their satanic assaults seemed endless
The deities are suffering in the battle
As they saw Sirius and Mary Magdalene raped and tortured
The victims will get and have their good karma
In gradually banishing the devil from the world.

My Day

Nothing distracting you from doing
what you need.
The Tarot their guidance heed.
Creative projects,
Lyrics for songs.
Art being used and worked upon.

My mind connects with the pictures
in my flat,
A dog just now, Isis used to be the
cat.
Literature abounds,
Poetry, Walker and Keats.
Occult classics,
The past retreats.

The kindling, the logs,
St. Etienne,
The dogs on the armchair,
He's eaten all he can.

Waiting for Joe,
Meeting bout a Scooby Doo,
His present fantasy,
Soon true.

Word work on the computer,
Make my work smarter.
Flat polished and clean.
Clothes collection gleaned.

Food in the kitchen,
Tea bags, milk.
Supply of ganja,
Mummies little pills.

Song Lyrics

For Experiencing the Music.

Feel centred

Alert

The music moves your body

Feel no hurt.

The vibes connect

Synchronicity.

Frequencies transmit and are received,

Blasting into me.

Perceive all aspects of the music

Dance without a care

The Beat! Prove it!

My mind and body move it!

Give us it vast

From future, present and past

Roamin in the world with ease.

Enjoying music

Enjoying music
That blows me away
Take over my body
Control what my head says.

Mince it up
Freak me out
Confuse me
Make me shout
In Joy.

Enjoy
Continuous change
Rhythms flicker like a flame
Brain chemicals rearrange
Motivation that inspires.

Ignore barriers
Uncensor yourself
Follow your feelings
Spiritual health.

The vibe of the night
Should make light
The might
Of Babylon.

Introduction.

Freedom from censorship,
Say what you feel,
Abolish drugs laws,
It's a fair deal.

Communication flowing,
Our Spirits growing.
We unite,
Fight oppression,
Freedom of expression -
In dance and fashion.
Insight the revolution.
The Re-evolution -
Of individual enlightenment,
Rave exite-e-ment.

A Song for Dog Lovers

I love my dog.
He needs his privileges
On him I spend,
All my riches.

Playing ferocious,
Jumping and cuddling,
Sit on your knee,
Go of the lead.

Constant companion,
Love and affection.
For him you care,
Protect every hair.

Nurse him through bad patches,
Fill him with love.
Your dog is your friend,
A gift from above.

CARS

Go faster,
Rev me up.
Soup it up,
Drive for art.

Fast cars,
Smooth cars,
Green cars,
Blue cars.

The engine your heart,
The frame your body,
Enjoy your car,
But don't drive dodgy.

Clear runway,
Take off.
Beam up
Tear off.

Relaxed drive home,
Mincey music.
Chill with sparkle,
Worship the ghanja.
Talk cars, art, desire.
Talk cars - but channel from Mars.

Romance.

Perfect polarity
He looks after me.
So attractive
Positively active.
He's ambitious
I respect him.
He's understanding
A Magickian.
I'm a Druid Priestess
His Priestess
His Green man I serve
Him I serve.

I'm a lot to take on.
The troubles I bring him
He protects me
Respects me
Compliments me
When I'm full of beauty.

We've been together 3 years.
3 years of sharing
Ideas comparing
Working together
For a good future
Our love bound in leather
He gave me a moonstone and an ammonite
Together we will fight the forces of evil
And we will - be happy together
For ever.

Keri.

The earth energy drives me,
I drive Keri.
MX5
Red or dead
Green and alive
Convertible
1:;8 injection sportable
My druidic companion
She shares my adventures.

Sleek body,
Directly manual
Your body the car
The engine you tune to.
Subconscious action,
Free conscious mind.
On a long drive, Deep answers find.

I love my Keri,
With her secret alarm
I drive careful she protects me
I shelter her from harm.

Eat me out of love.

He's an angel in wolf's clothing

And a gift from above.

For your potential you are yearning
Once mature and balanced

The forces of evil attracted to Good,
You reach out to Nature for help.

Fighting for Nature, repersonalised as teacher.

Pure magick the goal, your future you control.

Respect Mother Nature and all her ken.

I turn to slavery –
For you.
The Green man in the ivy,
Conversations with whom privy.
Webs of oak trees,
Their limbs a giant brain –
Listen in.

Your lake full of undines,
Niksa on guard,
The swans are gliding –
On the far side.

Daubenton bats
Come out at night,
Figure of eight,
In the moonlight

Your spring floweth freely –
Nourishing the lake.
In her crystals bathe -
Bless them with the springs namesake.
Isis -
All that is,
Was
And ever can be.
A metaphor found in every tree.

A Prayer to North Berwick Law.

The cliff of the angels
She's no Fool
On Earth –
Heaven Beauty, tarot, the Fool.
The great protectress,
North Berwick within her fortress.
Her delicate windings
Secret findings
The chalice The Grail
Her we wassail

Noble Beastly Goddess of the Earth
She's my mother
Thanks for my birth.

The Fool

I have the Fool
A divine gift
Protected.
My enemies must understand
With the Fool I do not die.
I do survive
At the last minute I am saved

The Fool leaps off the cliff smelling a white rose
And is carried to safety by angels.
That is the left hand way
With Protection.
Only a Fool would go the left hand way.

To Adrian (Fox)

The wooden spoon you never gave me
Has been gifted by a dryad
The times you never had,
Your avengense unwitnessed.
Rainbows, shooting stars
Oak leaf wine
In the company of the rowan
We talked through time.
You tried to change things quicker
A shocker
Turned good.
Are you a tree,
In a mountain?
Your soul springs eternal in my minds eye.

Sirius.

Your eyes so innocent,
Your torture wasn't meant.
The secret love potion
Sets truth in motion.
Happiness is here,
Through the years
Efforts, obstacles,
Trials and tribulations.
In the hour of need,
Came transformation.
The future looks good.
Look straight ahead.
Look into the sun.
Thy will be done.

9 Stone Circle.

You used to be so deathly 9 stone.
Now you are warm and mothering.
Rituals with you are now safe.
You're amazed I'm alive
I strive
To remember what you taught me
Initiation
9
Grounding a spiritual ascension.

Strength.

Goddess of War,
Of life and death.
Sheer physical force,
You settle the score.

Dealing in karma
Channeling you is Armour,
Your deadly serpent eyes
Analyze.
Perceive the best direction
For positive action.
The path of the tree.
So mote it be.

Sheer physical force,
Domineering.
Dominatrix,
I am steering.

Looks that kill
Or thrill With Magick
In your serpent eyes
You in me I realize.

I'm strong, I'm wild,
I'm a child Of Nature -
My preacher,
Endless Teacher.

Oh thee I worship,
Your trees wassail.
With gnomes commune,
With fairies dwell.
